

## **Winter Outerwear Drive – Thank You from the Outreach Team**

Chapel Hills, you did it again! Thanks to your wonderful generosity, combined with the gifts we received at the absolutely fantastic Christmas Concert featuring Michelle Liebl and Martha Barth, we will be donating over 160 winter wear items encompassing coats, gloves, socks, scarves, hats, and boots to Minnesota Council of Churches Refugee Program. In addition, we are contributing \$545 in cash to this organization for their important work in the refugee community.

The Chapel Hills Outreach Team continues to appreciate the focus, giving and sacrifice of our Community. Through your continued efforts of time, money, and prayer, you make an impact in important and significant ways. Thank you!
